Subject: Sunshine Valley Developments Ltd. -Rate application

Dear Kate Zabell,

Attached is a copy of a letter to B. Hendrichs advising him of the decision of the Deputy Comptroller to conduct a Public Hearing in the matter of the application by Sunshine Valley Developments Ltd. to increase its water rates and other changes to its water tariff. This letter also advises that an Interim Rate of \$30.00 per month has been approved while the review process continues.

Mr. Hendrichs has been sent a copy of an information bulletin which explains the Public Hearing process and a copy of Revised Page 11 of the water tariff showing the Interim Rate increase. The Utility is being required to notify all its customers by way of a letter insert with its October billing of the decision to conduct a public hearing and of the interim rate.

The Utility has been asked to provide further information with respect to the concerns raised in yours and other submissions received. Upon receipt of that information an evidence package will be put together and sent to Mr. Hendrichs. Sometime after that package has been sent I will be in touch with Mr. Hendrichs and/or yourself to set up a hearing date, time and place.

If you have any questions you may contact me at 387-6355 or by email.

Rick Couroux
Secretary to the Comptroller
